

Consolidate Your Plastic Spend with THE Turnkey Thermoplastics Molding Solutions Experts for Total Program Execution

Blow Molding • Injection Molding • Mold / Automation Equipment Fabrication

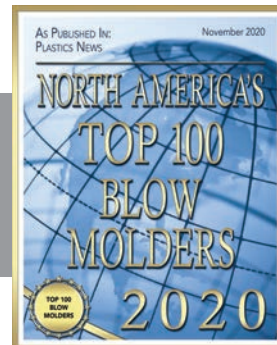

W.R. Sauey

August 27, 1927 - June 10, 2020

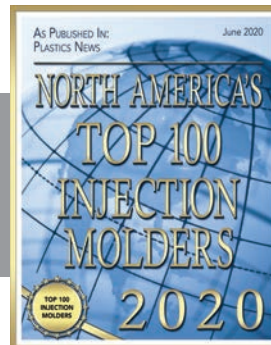

In memory of Flambeau's founder, a pioneer in the plastics industry whose foresight and ingenuity started Flambeau and whose hard work and perseverance carried us forward to provide a full support service to many varied industries for over 73 years.

- Concept Design
- Part Design
- Tool Design
- Tool Construction
- Prototyping
- Blow Molding
- Injection Molding Precision/Scientific Molding
- Complex Molding – Two-Shot, Over Molding & Insert Over Molding
- Cleanroom Manufacturing, Assembly & Packaging
- Decorating – In-Mold Labeling, Hot Stamping, Pad Printing, Silk Screening, Painting
- Welding – Hot Plate, Vibration, Sonic, Melt, Spin, Ultra-Violet
- Assembly
- CMM & Ultrasonic Panametrics
- Logistics Support & Delivery

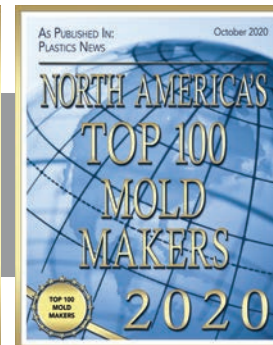

Flambeau
Top 100 Blow Molders

Flambeau
Top 100 Injection Molders

Flambeau
Top 100 Mold Makers

Ranked in Plastics News Survey of
North America's Top 100 for

Blow Molders, Injection Molders
and Mold Makers of 2020
